# Easy Entry Steel Steps

Adding the convenience of built-in steps to your pool has never been easier!

Replacing your liner? Merlin's Easy Entry Steel Steps provide an instant upgrade to your pool, which will make entering and exiting the pool easier and safer. Easy Entry Steel Steps from Merlin come in a variety of shapes and sizes or can be custom ordered to fit your needs.

*Looking for a different step? Easy Entry Steel Steps can be custom designed!*

Easy Entry Steps from Merlin secure to the existing pool wall.

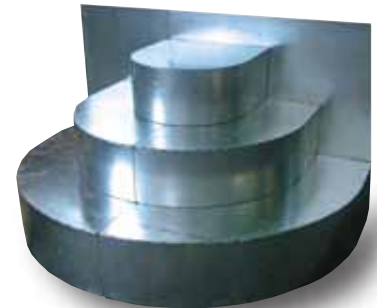

*Easy Entry Steel Steps are secured into the pool wall with a unique bracket system. This attachment provides strength and security and helps prolong the life of the vinyl liner installed over the steps.*
